What makes being a Navy League member valuable?

The Navy League acts as a national advocate for the four “sea services” – the Navy, Marine Corps, Coast Guard and U. S. Merchant Marine. Individually and collectively, it allows members to have a voice to support the sea services through the national leadership in Washington, DC.

National membership, which is required to join a “local Council”, includes monthly copies of Seapower Magazine, either in print or electronically, access to the organization’s online store, and updated information regarding the status of the military branches.

Joining the National Navy League also permits one to join a local Council, such as our **Greater New Orleans Council**, since local participation allows more direct contact with other veterans, a personal voice in ongoing events, and specific benefits such as those outlined below.

If you are moving to or retiring in the Greater New Orleans area (including the surrounding Parishes), membership in the Greater New Orleans Council puts you in touch with other service members, and expresses a continuing interest in supporting your branch of the service. It also confers some benefits which will be outlined below.

SUPPORT FUNCTIONS OF THE GREATER NEW ORLEANS COUNCIL

- Supports the Andrew J. Higgins Squadron of the U. S. Naval Sea Cadet Corps. This local squadron which works with and trains young “sea cadets”, consists of registered adult leaders (combination of commissioned officers and instructors), and young cadets, who are drilled and trained in Naval etiquette, boat handling, physical fitness, emergency medical treatment, and other areas.

The Greater New Orleans Council is proud to support this Squadron, which has produced exemplary young men and women through its training.

- Supports the Naval Reserve Officers Training Corps of Tulane University, and local Naval Junior ROTC units, providing awards and certificates to outstanding members, and an engraved Naval Sword to the outstanding officer candidate at Tulane upon graduation.
- Supports the Blue & Gold crews of the USS New Orleans (LPD-18), an amphibious transport dock ship, and the USS Louisiana (SSBN – 743), a fleet ballistic submarine, by sending local chefs to train the ships’ cooks to make creole and Cajun recipes.
- Supports the New Orleans Military and Maritime Academy, a public charter school where all students are cadets in the Marine Corps JROTC program. This school has set aside for military children and is one of the highest rated academic high schools in the area. The Navy League provides the President Theodore Roosevelt award to an outstanding cadet for leadership each year. Navy League Board members are members of the NOMMA governing board.

LOCAL GNO NAVY LEAGUE NETWORKING EVENTS

- An unspoken, but real, benefit is that as retiring or end of career service members, you have ingrained training and dedication to your country and your branch of the service. Continue that connection by joining and participating in the Navy League, and our local Council.
